

## **Internships at Janssen Nederland / Johnson and Johnson**

At Johnson & Johnson, we believe good health is the foundation of vibrant lives, thriving communities and forward progress. That's why for more than 130 years, we have aimed to keep people well at every age and every stage of life. Today, as the world's largest and most broadly based healthcare company, we are committed to using our reach and size for good. We strive to improve access and affordability, create healthier communities, and put a healthy mind, body and environment within reach of everyone, everywhere.

Every day, our more than 130,000 employees across the world are blending heart, science and ingenuity to profoundly change the trajectory of health for humanity.

Every year approximately 120 students get the chance to do an internship within Johnson & Johnson the Netherlands. As an intern at J&J you are a full member of your team and you will have the opportunity to work on challenging projects. At the same time you will contribute to Johnson & Johnson's impact on global healthcare. And who knows, your internship might be the start of an exciting career within our organization.

To make your internship at Johnson & Johnson a success, the Young Talent Team has set-up various initiatives so you can learn more about the broader organization and build a network outside the department where you do your internship.
