

This internship in Dresden is a paid position and if there is a gap in the finances the Erasmus Grant can apply.

We have an opening for a paid internship position in Dresden that might be interesting for your first and second year master students:

<https://www.digs-ils.phd/join/internship-positions/general-information>

They can learn more about the CMC Unit and our research here, or reach out to us directly at

roxana.zeraati@cmc-unit.org

or

shervin.safavi@cmc-unit.org, if you have any questions.
